### Find us by subway

See pink lines on attached map.

1. Take the blue line toward Akalla.
2. Get off at Kista.
3. Take the north exit (the front of the train, if you are coming from T-Centralen). Follow the signs that say **Bussterminal, Köpenhamngatan, Forum**.
4. Go down the escalator and turn right. (Do not take the steps down to the street.)
5. Enter Kista Galleria and walk straight through to the other side, to the exit called **Brandesgången**. (There is a Paccini café at that exit.)
6. Exit the Galleria and continue walking about 5 more minutes. (You will cross two pedestrian bridges, first over Hanstavägen and then over Isafjordsgatan.)
7. Just after the second pedestrian bridge, you will see a white building with a courtyard on the right side. Signs on the building say **ElectraBuilding** and **Cadence**, among others. Go into that courtyard, past World Class Restaurant. The second entrance on the left is Isafjordsgatan 30 B.

If you *pass* Försäkringskassan/Pensionsmyndigheten/Skatteverket (on the right) or start walking uphill, you have gone too far.

### By commuter train (pendeltåg)

See blue lines on attached map.

1. Take the Märsta line to Helenelund. Allow 15–20 minutes from the time you get off the train.
2. Exit the station and turn right (roughly west).
3. Follow the blue lines on the attached map.

### By car

See red lines on attached map.

- Park on Isafjordsgatan.
- Walk between the buildings to find us (it's marked on the map).
